

```
utils::meta::concat  
< slice_t< Tuple, 0,  
  Begin >, slice_t< Tuple,  
    End > >
```

A diagram showing a function call flow. A blue arrow points upwards from the 'utils::meta::erase' function to the 'utils::meta::concat' function. The 'concat' function is shown in a white box with a black border, and the 'erase' function is shown in a gray box with a black border.

```
utils::meta::erase  
< Tuple, Begin, End >
```
