

```
utils::meta::reduce  
< std::conjunction,  
  map_t< bind_front< contained  
_in_trait, BigTuple >::template  
  trait, SmallTuple > >
```

```
utils::meta::subset  
_of< SmallTuple, BigTuple >
```

A blue arrow points from the 'utils::meta::subset_of' box on the right to the 'utils::meta::reduce' box on the left, indicating that the latter is a subset of the former.
