

`std::false_type`

```
graph BT; A["utils::always_false<...>"] --> B["std::false_type"]
```

A diagram illustrating a relationship between two C++ types. At the bottom is a gray rectangular box containing the text `utils::always_false` followed by `<... >` on the next line. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top. The white box contains the text `std::false_type`.

`utils::always_false`
`<... >`
