

exception.hpp

```
graph TD; A[exception.hpp] --> B[exception]; A --> C[string_view];
```

The diagram illustrates a dependency or relationship. At the top, a gray rectangular box contains the text 'exception.hpp'. Two dark blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left, terminating at a white rectangular box containing the text 'exception'. The right arrow points diagonally down and to the right, terminating at a white rectangular box containing the text 'string_view'. All boxes have a thin gray border.
