

utils::default_binary
_op_traits

```
graph BT; A["utils::shift_behavior<br>::default_binary_op_traits"] --> B["utils::default_binary_op_traits"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'utils::default_binary_op_traits'. The bottom box is white and contains the text 'utils::shift_behavior' followed by '::default_binary_op_traits' on the next line. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an inheritance or specialization relationship.
