

exception.hpp

```
graph TD; A[exception.hpp] --> B[exception]; A --> C[string_view];
```

The diagram illustrates a dependency or relationship. At the top, a gray rectangular box contains the text 'exception.hpp'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left, terminating at a white rectangular box containing the text 'exception'. The right arrow points diagonally down and to the right, terminating at a white rectangular box containing the text 'string_view'.
